

# THE CHIQUITINES ORPHANAGE APPEAL

MOVIE NIGHT – THURSDAY NOVEMBER 17

Every day, somewhere in the world, children are found abandoned and destitute, left to fend for themselves. Some are abandoned due to poverty and a range of other social circumstances, others are removed from their parents care due to neglect or abuse.

The lucky ones end up in an orphanage, where a team of dedicated staff and volunteers try to provide them with the daily basic needs – shelter, food, medical care and education.

Melisa and Brad George took a journey to adopt their son Juan Camilo from Chiquitines Orphanage in Colombia in February 2010 and understand first-hand the benefit a fund raiser like this can be.

It is our heart to raise **\$3000** for the orphanage by pre-selling 150 or more movie tickets at \$25 each and **raffling over \$3000 in prizes** whilst you sip on complimentary champagne and enjoy some nibbles. Please bring your spare change to try your luck in the raffle and help us raise as much money as we can.

This night would not have been possible with out the **support of the local business community** so please support those who support us.

Over 60 guests will take home lucky door prizes and **the first 150 people to arrive on the night take home a 'GOODie Bag'** full of samples, offers and prizes.

So gather your friends, buy a movie ticket and help us in making a difference!

WE GUARANTEE THAT **100%** OF ALL FUNDS RAISED WILL GO DIRECTLY TO CHIQUITINES ORPHANAGE IN COLOMBIA.
